Re: Suspension from the IEEE Hong Kong Section positions

Dear Dr. Cheung,

This note is in reference to the notification of suspension sent to you on 4 May 2018.

The decision to suspend you, pursuant to Section 9.4.F.10 of the IEEE Member and Geographic Activities (MGA) Operations Manual, from the positions of Chairman of the IEEE Hong Kong Section, Newsletter Editor, and Student Branch Counselor at the University of Hong Kong, was made based on the absence of any Section elections since early 2016. As a result, the Section did not conduct elections within the term stipulated by IEEE policies and your term of office expired. The interim team has been requested to conduct new elections.

Please know that arriving at this decision was not an easy matter. However, following consultation among the region directors, we felt that the suspension and appointment of interim officers was necessary to support the Hong Kong Section at a challenging time and provide a further foundation for its ongoing activities.

Respectfully,

Kukjin Chun, IEEE Region 10 Director

Akinori Nishihara, IEEE Region 10 Director Elect
