Chairman's report

Happy Summer Holidays!

1. IEEE Sections Congress 2017 (SC2017)

- The IEEE Member and Geographic Activities (MGA) Board were hosting IEEE Sections Congress 2017 (SC2017) in Sydney, Australia, at the International Convention Centre, from 11 to 13 August 2017. All section chairs were invited to attend. Unfortunately, Hong Kong (HK) Section was unable to support any representative to SC2017 as HK Section still has not recovered control of the Section bank accounts. All these because Mr YW Liu, the resigned interim Section Treasurer 2016, still has not handed over the Section Finance to HK Section.

2. Section Finance Problems

- As of today, HK Section still has not recovered control of the Section bank accounts, and so still cannot make payments to operate Section activities and reimburse claims to chapters which have all their money in the Section's centralized account.
- Mr YW Liu still has not disclosed the authorized signatories of the Section's Bank accounts. HK Section still does not know who the authorized signatory persons of the Section's bank accounts are. HK Section does not know if the money are still in those bank accounts.
- Mr YW Liu is still refusing to handover any reimbursement claim forms, claimed receipts or ledgers, and bank statements to HK Section, so it is impossible to do any audit.

3. HK Section Documents and Website problems

- Mr Edward YH Cheung, self-proclaimed as holding a post of External Liaison Coordinator in the 2016 HK Section Executive Committee (ExCom), is still refusing to handover the Website domain name back to HK Section.

4. Voter registration in the ITFC 2017

- The Registration and Electoral Office (REO) of HKSAR is reviewing the eligibility of the Chapter's members of the Joint Chapter on Circuits and Systems/Communications (CAS/COM) as ITFC electors/voters.
- The Chapter has direct access to its own membership information in the USA database requested by REO for voters registration reviews.
- It should be noted that when forming a special IEEE interest group/Chapter, each Chapter must obtain its own Charter directly from the IEEE Head Quarters of USA. Each Chapter has full autonomy to handle special interests for its own Chapter members. All chapter chairs have direct access to their own chapters' membership information in the USA database.
- The CAS/COM Joint Chapter has not updated its status about whether they have held the AGM2016 or they have any Officers Nominations of 2017. It is noted that Mr YW has been heavily involved in the CAS/COM Chapter. According to the USA record, the CAS/COM Joint Chapter was inactive in 2016. Members of the Chapter should avoid the Chapter being dissolved by HQ.
- **It should also be noted that, as IEEE USA and IEEE HK Section are always politically neutral, chapter chairs should be responsible to communicate with REO for political interests of their own chapters.**
