Special IEEE HK Section Newsletter - December 2017

=====HKS Chair message=====

Dear Members, Active Chapters & Affinity Groups' Office Bearers

Due to the problem of section finance and with the continuous malicious actions against Hong Kong Section behind the scene by the resigned interim Treasurer 2016, Mr YW Liu, Hong Kong Section has no fund to properly function yet. As a result, active chapters and affinity groups are instructed to call their nominations for officers as soon as possible by 31 January 2018, and hold their individual AGMs 2017 for their nominations and Elections 2017 this year as soon as possible by 15 February 2018.

For recording purpose, active chapters and affinity groups must inform Section Officers the results, dates and venues of their AGMs within 7 days of the AGMs held.

Yours sincerely

William Cheung

Hong Kong Section
